

# RIVIERA

the ultimate cantilever umbrella

**SHADE7**  
premium outdoor living

EXPERIENCE WORLD-CLASS,  
RESORT QUALITY SHADE,  
UNDER THE FINEST CANTILEVER  
UMBRELLA AVAILABLE.

This elegant and modern cantilever umbrella provides the ultimate sun protection for outdoor living and entertaining in both residential and commercial environments. It combines style with strength, size and durability. With infinite tilting adjustment and 360 degree rotation, the Riviera cantilever umbrella provides complete shade flexibility.

Below: 8 x Riviera 3m square umbrellas with grey fabric and custom made black frames. Installed at Fiji Marriott Resort, Momi Bay.

COMMERCIAL QUALITY

The Riviera cantilever umbrella has been specifically designed and engineered to withstand the harsh and windy weather conditions found in New Zealand and the Pacific Islands. We have continually developed and upgraded the Riviera to make it not only the best looking umbrella but incredibly strong. This makes it ideal for commercial environments where quality and durability are essential. You'll find Riviera umbrellas in the finest resorts, bars and restaurants all around the world.

Above: 8 x Riviera 3.5m octagonal umbrellas with ecru fabric. Installed at Four Seasons Resort, Bora Bora.

FEATURES

Every component of the Riviera umbrella has been carefully developed and engineered to be strong and durable. At the same time we have designed the umbrella to have a sleek and clean appearance, free of unnecessary clutter.

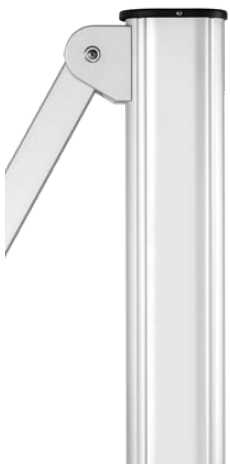

ANODISED ALUMINIUM MAST

INFINITY TILT SYSTEM

REMOVABLE WINDER HANDLE

ANODISED ALUMINIUM COMPONENTS

ACCESSORIES

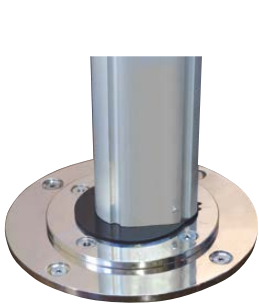

CANOPY STABILISER KIT

Uniquely designed stabiliser arms that increase the umbrella's stability for commercial environments and exposed locations.

CLIP-ON LED LIGHTS

Rechargeable LED light. Great for night-time entertaining.

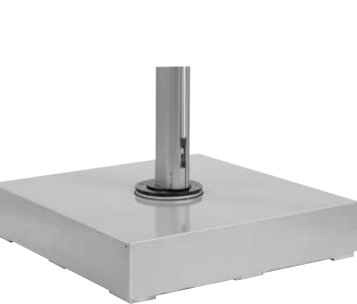

STAINLESS STEEL (316) SPIGOT & BASE PLATE

Optional upgrade for coastal environments.

COVER BAG

Highly recommended and easy to use. Will double the life of your umbrella fabric.

PREMIUM FREESTANDING BASE

Freestanding 85cm x 85cm base with aluminium cover. Weighs approx. 230kg with 12 x pavers added, (40x40x5cm). Pavers not included.

IN-GROUND FITTING

For installation into a patio or the ground. Diameter: 215mm.

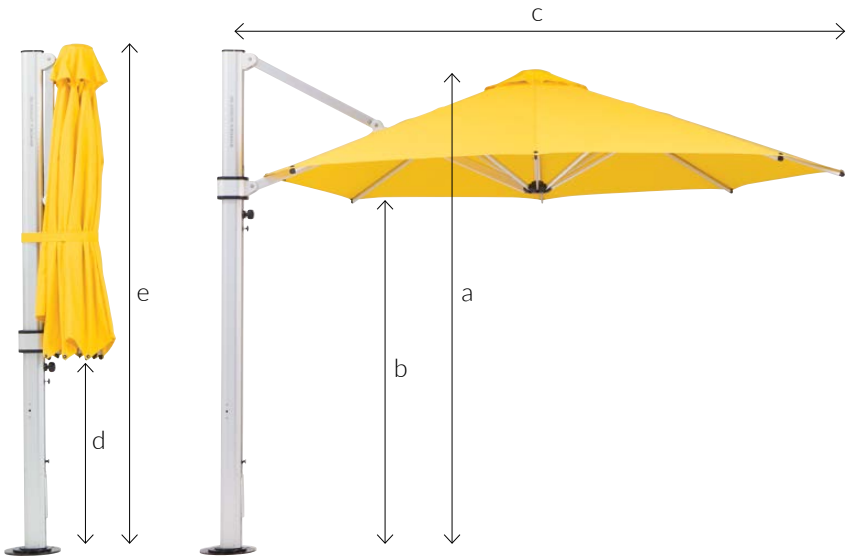

BASE PLATE

For installation onto a wooden deck or concrete patio. Diameter: 315mm.

INSTALLATION OPTIONS

Your Riviera umbrella comes fully assembled in the box that it is delivered in. There are three different ways to install your umbrella. You can install your Riviera onto a timber deck or a concrete patio using a base plate. Alternatively you can install into the ground using an in-ground fitting. You can also install two or more installation fittings to give you multiple umbrella locations for different seasons or events.

CANOPY FABRIC

EUROPEAN MADE, 100% SOLUTION-DYED, ACRYLIC CANVAS.

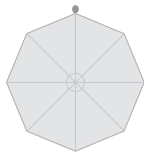

Our premium marine-grade fabric comes with a 7 year warranty and has the best available colour fastness rating of 7-8 out of 8\*. It also has the highest possible rating of UPF 80, cutting out the maximum amount of harmful UV light for excellent sun protection.

*\*Colours with red colour pigmentation (red, orange, yellow etc) will have lower colour fastness than other colours and will show some fading earlier.*

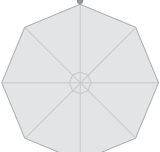

Dimensions

<sup>1</sup>Measured from point to point. All measurements are rounded and are subject to change  
<sup>2</sup>Only when the umbrella is used at the horizontal setting. Wind damage is not covered by the warranty.
